

2021 Professional Competence Repeat Programme 1. Repeat Guidance

COURSE FEES - DISCOUNT

APT is aware of the financial hardship that many APC Repeat Candidates are facing in 2021. To be of assistance, APT would like to ease this financial burden by offering a discount of 20% on our 2021 APT APC Repeat Programme fee.

The fee after the discount has been reduced to R5 680 + VAT.

The number of enrolments for the 2021 APC Repeat Programme are in excess of what was anticipated. As a result, APT would like to share the benefit generated by this over recovery of overheads, with the candidates on the programme.

Candidates who have already registered for the 2021 APT APC Repeat Programme will receive a credit of R1420 + VAT and a refund for this amount should the full fee have been paid.
